

Income and Wealth Disparity

Thinking about money...	
What is wealth?	What is income?
How is wealth different from income and why is this important?	
What is Per Capital Income?	
What is Negative Wealth and Why is this Important?	
What are Income Quintiles and why do economists use them?	
What is Actual v Perceived Wealth ?	

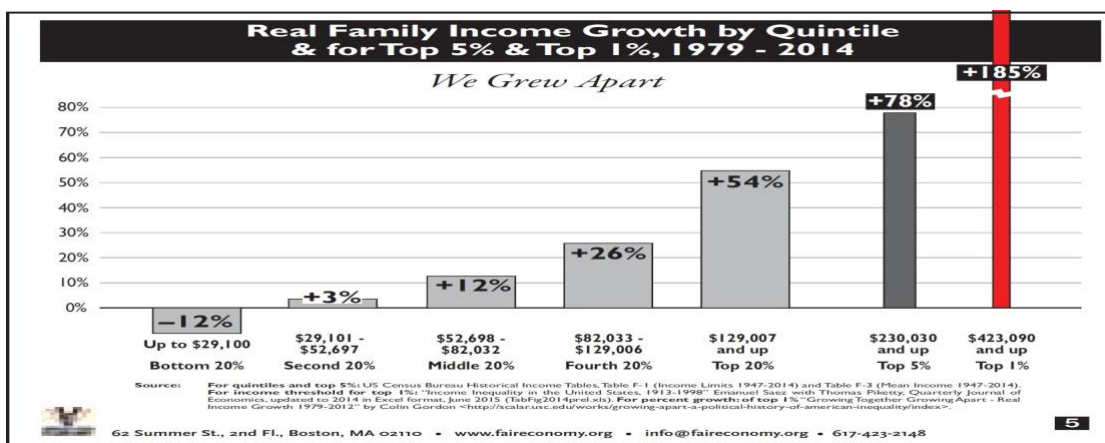

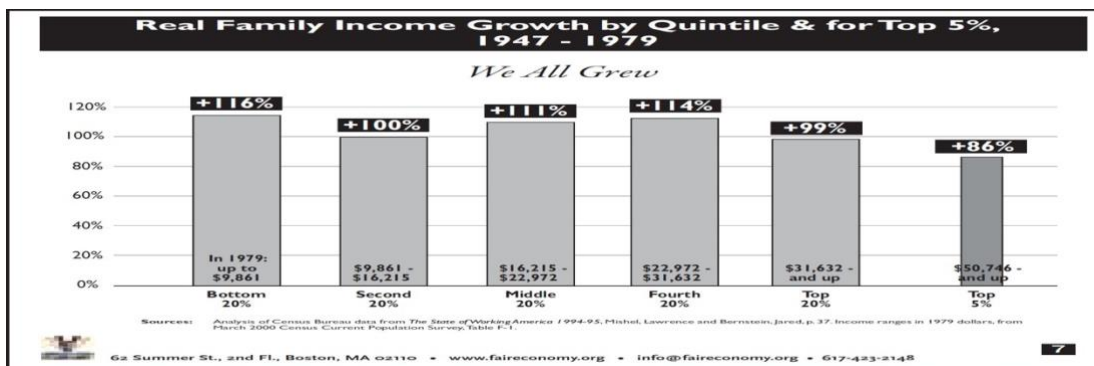

Questions for Reflection:

Which of the quintiles are my members in? What about my ESP members? Other thoughts....

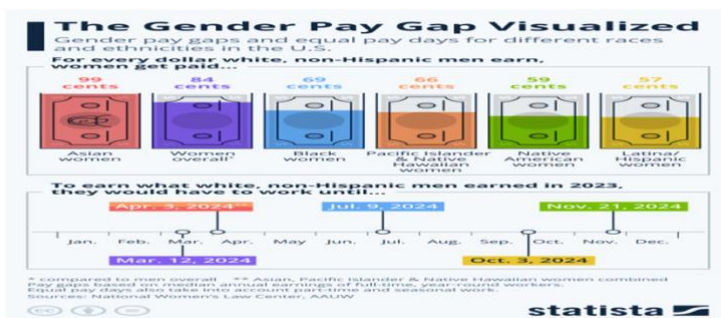

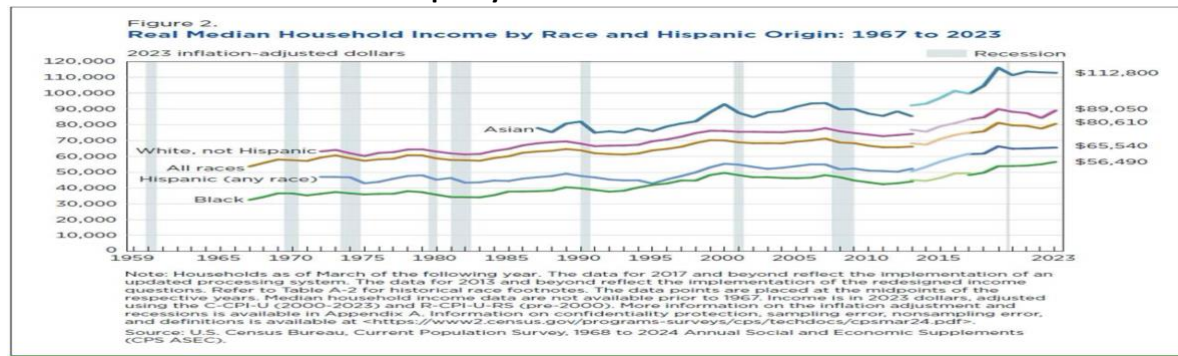

We All Grew Together-----We All Grew Apart

Questions for Reflection:

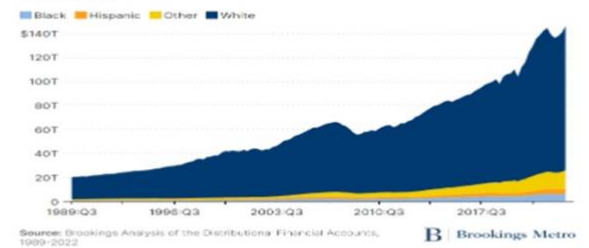

What was the difference in politics and policies between the first time period and the second time period

The Trends Wealth and Income Disparity Continue

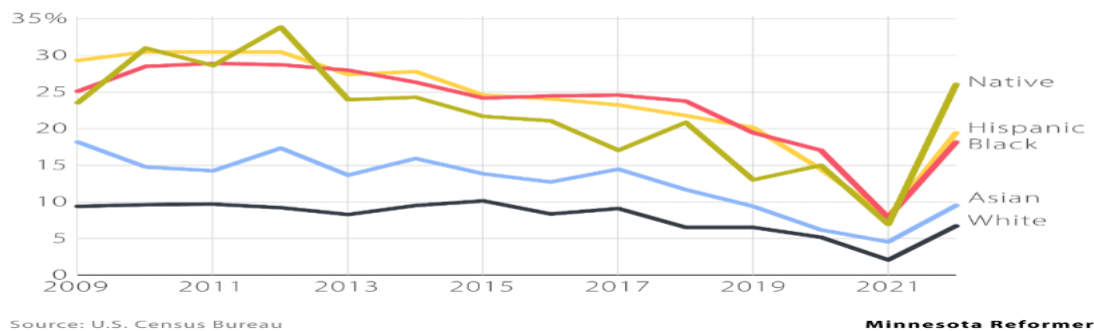

Total household wealth grew in 2022, but white households still hold the vast majority

Child poverty by race

Supplemental measure of child poverty rate, 2009 -- 2022

Reflections and Connections:

What are the expressions of racism and gender inequity by race apparent in the economic system?

What are some policy solutions that might change this racial inequity disparity trajectory?
